# ASSIGNMENT OF EMPLOYEES TO PENDING REASSIGNMENT

NOTE: Employees are placed in the Pending Reassignment Categories as a result of one of the following conditions:

1. Their position/slot has been abolished. The employees record now contains an invalid slot number.
2. They have been assigned by the Office of Personnel. This is accomplished by assigning the employee to a "dummy" position 0000.

## Brief Description of Program:

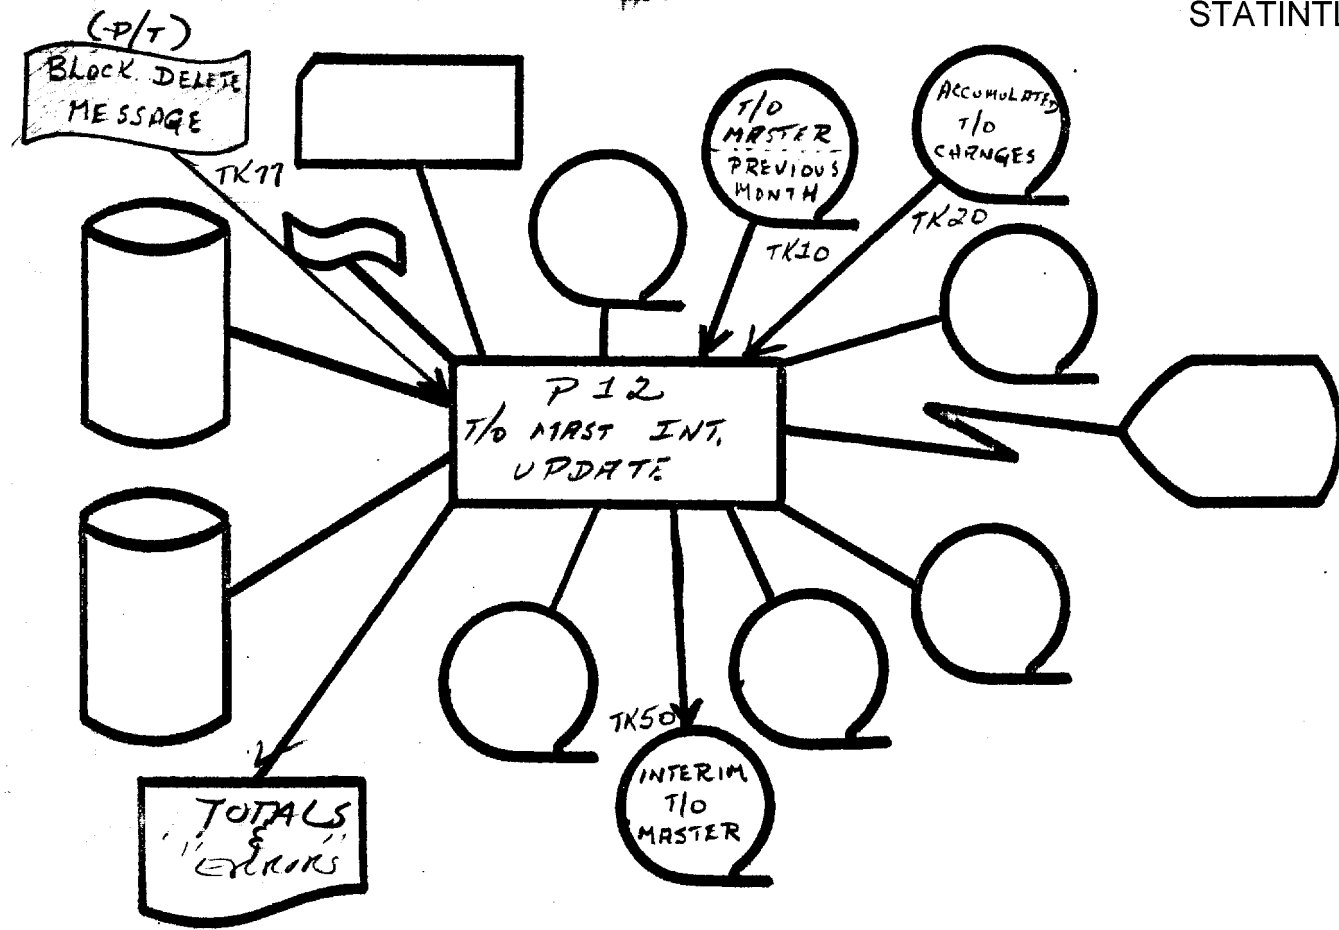

1. Takes T/O transactions on paper tape that are produced from the Form 1023 and edits them for duplicate control numbers etc.
2. Transaction errors are put on Error Report 197B.
3. Good transactions are merged together with previous accumulated T/O changes, sorted on control number and a new accumulated T/O change tape is produced.
4. A card is punched for all good transactions, that in turn is used to produce a Flex-O-Line Strip.
5. A transaction history report is produced for all good transactions during a given period.

7/45:30

STATINTL

## Brief Description of Program:

1. Accumulated T/O changes - are - applied - against current T/O - master
2. Errors and totals are produced and sent to customer.
3. Interim T/O Master is produced
4. Will - delete - a - block - of - customer - numbers - on T/O - master and indicate that this has - been - done - through - a - Block Delete - message.

9-30/35 1:00

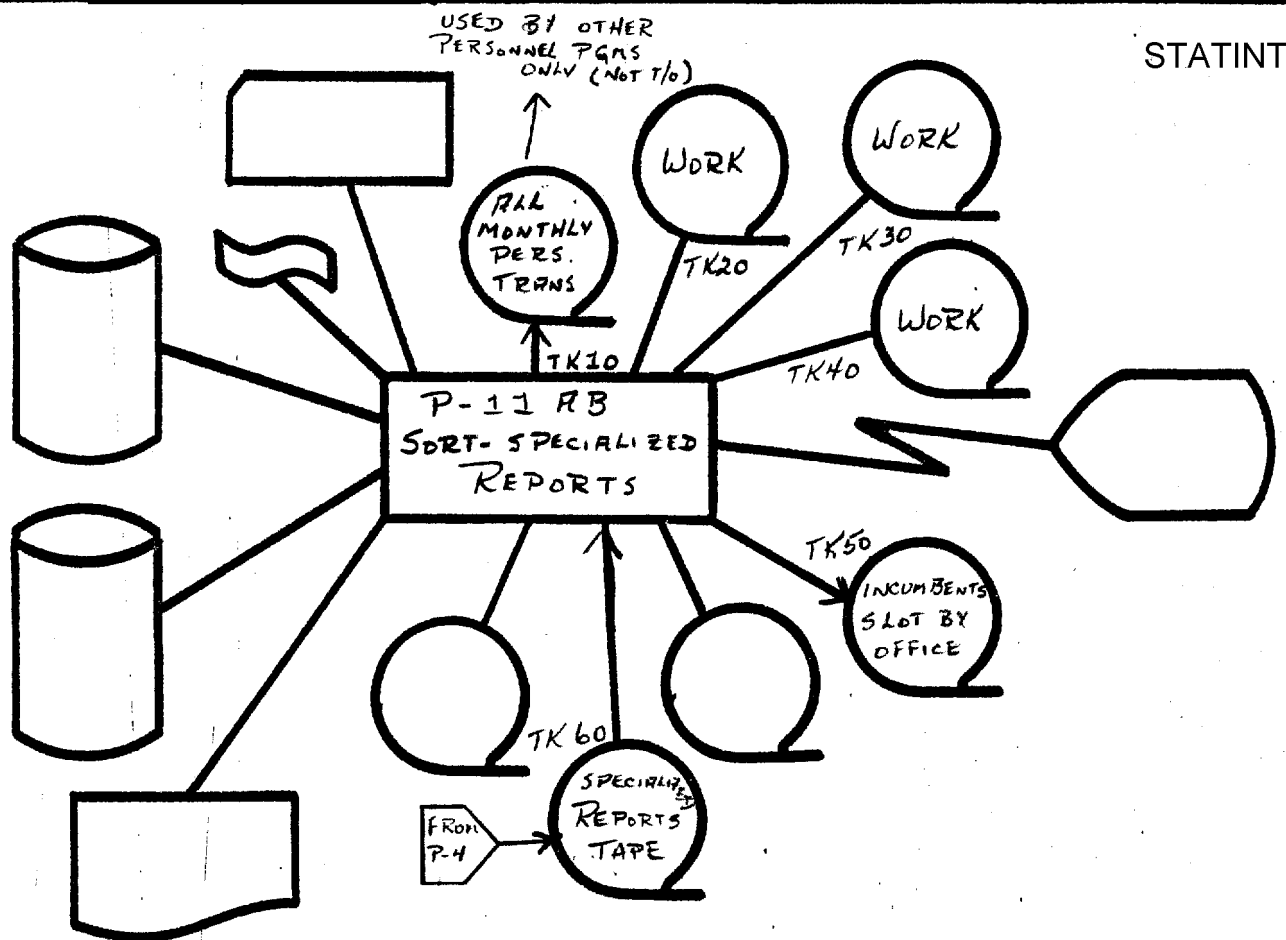

1. Final T/O Master Update for the month,  
- applying transactions that were previously - errors from  
the Interim Update (7.12) and - last period  
T/O changes.
2. Employ issues relating features as 7.11 & 7.12
3. Coding Clerk is called if any errors occur, - so a  
immediate change can be made - This is accomplished  
until all errors are omitted.
4. The T/O Release is used to print out from T/O - master that  
is used to assign PCR Control numbers to incumbents.
- (over)

5. To place also contains attached data for building reports 143, 146A & B, 148, & 149

6. Pending Reassignment Table contains all the empty positions and associated PCR control numbers that are used for Pending Reassignment incumbents for each Division and Office.
